Previous Employment

Production Artist for O.H. Partners, November 2020-September 2023

3550 N Central Ave, Phoenix Arizona, 85012

Working as a Production Artist for an advertising agency. I worked with a wide variety of clients completing projects on tight deadlines while ensuring client needs were met. I produced detailed work while making sure specifications were correct as well as maintaining good communication with the creative team and account executives.

In 2023 I starting working as the main Production Artist for all social media accounts. I worked closely with the Art Directors and Senior Designers to help concept and design posts for clients.

Freelance Designer 2020-present

Designing logos, branding, social and print design for a variety of clients. Working with strict budgets and time frames to produce high quality projects.

Part-Time Graphic Designer at Tempe Design Studio Enterprise

Marketing Hub Arizona State University, Tempe, AZ

Aug 2019-Dec 2019

In charge of producing print designs that closely correspond to ASU brand guidelines as well as producing visually interesting and creative layouts that best reflect the brand and client. I worked on multiple projects at a time while keeping within set deadlines for the university.
